Business Management Associate Degree

The graduate will be qualified for a management position in a variety of organizations. Students are provided with the skills necessary for planning, organizing, directing, and controlling activities that will lead to the effective fulfillment of organizational objectives.

Students also develop a foundation in accounting, marketing, management, written and oral communication, and leadership through simulations, group activities, discussions, and lab work.

Upon completion of the Associate of Applied Business degree with a major in Business Management, the Davis College graduate will be prepared to:

Identify and assess current business situations and resolve problems within a variety of business settings.

Apply Generally Accepted Accounting Principles (GAAP) to complete the accounting cycle manually and prepare financial statements.

Articulate traditional and contemporary management theories and apply these techniques to real-life situations.

Develop an understanding of how to satisfy consumer needs utilizing the marketing mix that facilitates exchanges.

Use oral and written communication skills to interact effectively in the work environment.

Apply the principles of the General Education Core and the Business Core.

End of Program Assessment

When a student has completed the Business Management program, he/she will participate in an interview with the program director. This interview will focus on assessing the skills to ensure the program objectives have been met, and that the student possesses the necessary skills for business positions.
