

Students with Disabilities Seeking Reasonable Accommodations Policy

Information pertaining to an applicant's disability is voluntary and confidential. If this information is supplied, it will be used to reasonably attempt to overcome the effects of conditions that limit the participation of students with a documented disability. Medical documentation from a qualified professional to support the disability is required to be provided to the Institution.

Reasonable accommodations will be made on an individual basis. Requests for accommodations should be made to the Disabilities Coordinator.

The mission of Davis College is to provide graduates with marketable skills that enhance their employability.
